

# WHO: THE PARTNERS

The U4EU project results of the effort of a European partnership of 9 non-profit organizations and NGOs :

**ANCE** (GR) has a very extensive experience in coordination and management of EU funded projects. Its main fields of activities are support for vulnerable social groups and the youth, and promotion of sustainable development.

**KMGNE** (DE) has carried out more than 100 research and consultation projects on sustainability and has scientifically accompanied and practically implemented numerous educational projects for the youth.

The **Multi Kulti Collective** (BG) works on civic participation, integration of migrants/refugees and human rights and with the youth, and is experienced in campaigning, awareness-raising, using arts and culture for social change.

**Nous** (IT) works in the cultural field for promotion of European opportunities. It organizes events festivals, cultural exchanges and artistic events for communicating the opportunities offered by Europe.

**CLUBE** (PT) aims to develop personal, social, professional, civic and relationship skills and to promote the participation, empowerment and social inclusion of youth and vulnerable groups.

**TELEDUCA** (SP) is dedicated to teenagers, young people, women, migrants and other social collectives providing them with better opportunities for self-expression and self-representation to face the power of medias and cultural industries.

**UNITED** (HU) is the European network against nationalism, racism, fascism. It coordinates campaigns, organizes conferences, takes part in projects, produces publications and undertakes advocacy work to protest against discrimination.

**CCB** (NL) promotes cross cultural dialogue, good living (buen vivir) and conflict transformation, stimulating people of different communities to deal positively with diversity.

**YEL** (BE) aims to give young people the skills, knowledge and network to play an active role in tackling European and global challenges. YEL also organizes the Young European Council, which draft policy recommendations and present them to the Council of EU.

# WHEN: THE IMPLEMENTATION

(March 2020 - September 2022)

## LET'S TALK ABOUT EUROPE
